## \$80,000 Brought to Farmers For Wheat, Hogs and Cattle

### WHEAT CHECKS BRING CHEER TO FARMERS

Hog Checks Expected  
Here During This  
Week

8,000 CATTLE SOLD

1934 Wheat Checks Are  
Expected by First  
of November

Wheat checks in the amount of \$46,345 are being distributed by the County Allotment committee as the last payment on the 1933 allotment. The payment is on the basis of 7 9-10 cents per bushel. This amount is 7-10 cent more per bushel than was estimated by the government several months ago. It was hoped by the Secretary of Agriculture that 1 cent per bushel would be the increase over the promise made to the farmers but administrative expenses were more than estimated at Washington.

In about 30 or 45 days checks will be received by the wheat farmers on the 1934 allotment. This amount will be \$206,000. The exact date for this payment has not been set. Randall county's contracts have been approved in Washington, and it is believed that (Continued on last page)

### Relief Money Is Making Possible More Road Work

Work has been resumed on the Goodnight Trail after the receipt of additional funds at the County Relief office.

Caliche is being spread on the last section of this highway, and it is believed that the work may be completed this month unless another shut-down is forced thru lack of funds.

### FUNERAL HELD SUNDAY FOR LYNN B. STEEN

Funeral services for Lynn Byron Steen were held Sunday afternoon at the Baptist church, conducted by Rev. J. R. Hicks. He is the son of Mr. and Mrs. Z. J. Steen of Adrian, and formerly lived in the Jowell community.

The deceased was injured in an accident at Adrian, and died in a hospital at Fort Worth where he was taken for treatment.

The following are the survivors: Mr. and Mrs. Z. J. Steen; 2 brothers, S. W. and Z. J. Steen, Jr.; 4 sisters, Catherine and Margaret Steen, Mrs. J. H. Stephenson, Jr., of Hamlin and Mrs. M. B. Walberg of Plainview.

## City Federation In Program For the Year

### Clean Up, Library and Flowers Are on the Program

The City Federation met for its first fall meeting yesterday afternoon. Representatives were present from every club in the city. Mrs. Tom Knighton, president, was in charge of the meeting.

Owing to so many new people moving into Canyon, it was voted that a clean up campaign be sponsored. A committee was named to co-operate with the city commission in this campaign. Citizens were urged to cut the weeds in their alleys, curbs and vacant lots. Citizens will be asked to destroy dilapidated houses, which are

## W. T. Opening to Bring Many Studes

President Is Pleased At  
Prospects Opening  
of Term

President J. A. Hill stated yesterday regarding the prospects for college attendance this fall, "I have never before seen such interest in attending college as there appears to be this fall. During the past month there has been a steady stream of people visiting the college offices to make arrangements to enter at the beginning of the fall semester, September 18. Many of the young people who will come to school this fall will do so at a tremendous sacrifice on the part of their parents."

A survey of living quarters in Canyon shows that Randall Hall Co-operative Home for Girls is already full, although a few last minute cancellations are always expected. Cousins Hall can take care of at least a dozen more young women. 40 men will live on the College Farm, and private living quarters in every section of Canyon are being inspected by prospective students every day.

This year an especially large number of students who have won honors for scholarship in high school are coming to this college, according to President Hill. The President says that this college has always had a fine type of students but this year they promise to be better than ever before. Letters received from prospective students show that there are a great number who have had band or orchestra experience, and it is expected that the college will have the best musical organizations this year that it has had during its entire history. A large number of young people who are interested in dramatics and newspaper work are also coming to the campus.

There will be only three new faculty members on the college staff this year. Bob Cox of Duke University becomes a member of the coaching staff and an instructor in the Department of Physical Education. He has been in Canyon and at work for a month. S. Stuart Johnston comes to this college. (Continued on last page)

### Paving Widened on Sixteenth Street for One-half a Block

Work was started yesterday in widening 16th Street from the corner of Fourth Avenue north for one-half block. One section of the sidewalk along the east side of the Bradford building is being taken up and a new curb will be built. Concrete will be run on the street level in this section.

Heavy traffic on this block made the widening of this street necessary.

a menace to the neighborhood. A committee was named to confer with the Commissioners' Court regarding the upkeep of the library and the court house lawn.

The federation was asked by the American Legion and Legion Auxiliary to assist in buying uniforms for the high school band.

The community chest work will be continued through the winter. Spirea was adopted as the official flower of the city, and the federation will ask that the citizens continue to plant it.

The women of the town will be asked to give flowers and shrubs to the Palo Duro State Park in the program of beautification.

The federation will continue its activity in seeking the establishment of a city park in the future.

### Cattle Buying Is Shut Down; Orders From State Men

Cattle buying was stopped yesterday in Randall county by orders from College Station.

County Agent W. H. Upchurch was advised to send a complete report by letter of the purchases made in the county to date. No indication was made as to the future plans for buying.

Up to date about 8,000 head have been purchased, for which the government has paid the farmers and stockmen of Randall county approximately \$99,000.

A new organization was made effective in Randall county the first of the week in buying cattle, but had not become effective until orders were received to stop all buying. Word has not been received as to whether buying had been stopped in all counties in the state.

### Plans Being Made Centennial Celebration at Park

The Panhandle executive committee met Saturday in Amarillo and discussed plans for an all-Panhandle celebration to be staged in the Palo Duro State Park in connection with the Texas Centennial. A pageant depicting Panhandle history will be the principal event planned for this affair.

The executive committee met in Amarillo Saturday, with Dr. J. A. Hill, president. Other meetings will be held soon for the purpose of drawing up plans and setting dates for this celebration.

### NEW BARS ARE BEING ADDED TO CITY JAIL

New bars are being placed on the city jail in order to strengthen the building against escape of prisoners.

### Sheep Men Must Sign Up Before Buying Started

Buying of sheep by the government in Randall county cannot start until the listing has been completed.

County Agent W. H. Upchurch urges that all farmers in Randall county who have sheep to sell shall list them with him at once.

After the listing in the county is completed, the quota for the state and for the county will be made by drouth relief officials at College Station.

No set up for buying has been announced in this section of the State on sheep, but it is likely that it will follow the plan as has been effective for cattle buying.

Getting Ready for Opening  
College and  
Celebration

A clean up campaign for Canyon will be staged Friday, Saturday and Monday for the purpose of getting the town in perfect shape for the opening of the College, and to start preparations for the 25th Anniversary of W. T. on Oct. 19-20.

"Hundreds of visitors are coming to Canyon for the opening of the College," stated Mayor C. R. Burrows, yesterday. "Thousands will be here for the big celebration next month. I hope that every citizen will do his best to make the town perfectly clean," stated the Mayor.

A group of officials and citizens gathered yesterday afternoon to plan for the clean-up campaign. The City Federation of Women's Clubs is sponsoring the campaign, and will call upon all citizens to assist in doing their part.

Citizens are asked to cut all of the weeds on their premises, both in the curb out to the street, and in the alley. Burn all rubbish that may be disposed of this way. Sack all rubbish which will not burn and place the sacks in the alley so teams may gather it Monday morning.

Old machinery and auto parts which are standing on vacant lots will be hauled to the junk pile. The city moving machine will cut the weeds on vacant lots, but citizens are requested to take care of their residence property.

The clean up campaign is sponsored by every group of citizens who are interested in making Canyon a clean town. Citizens are urged to start the work Friday morning, and to continue until all weeds are cut within the city (Continued on last page)

### Superintendents of Texas Parks to Meet at Palo Duro Soon

Major E. A. Kingsley returned Friday from the Davis Mountains where he attended a meeting of the superintendents of the Texas State Parks. Mr. and Mrs. Howard Trigg and Guy Carlander accompanied Major Kingsley.

The next meeting of the superintendents will be held at the Palo Duro State Park in November. D. E. Colp, chairman of the State Parks Board, and other members of the Parks Board will be here at that time.

Major Kingsley states that work is progressing very well at the Park. Three additional dams are contemplated for the Palo Duro. The bridge over Timber Creek will be completed in the near future. Materials are being received to increase work on the lodge.

## Drawing Plans For 25th Anniversary

### Old Settlers To Meet Wednesday at the Tri-State Fair

The annual gathering of the Panhandle Old Settlers Association will be held at the Tri-State Fair grounds on Wednesday, Sept. 19th, according to announcement made by Floyd Stader, secretary. All who have been in the Panhandle 25 years or more are eligible to membership in the association.

An excellent program has been provided for this gathering.

### Orton, Cox and Strain Attended Relief Meeting

Judge S. B. Orton, J. H. Cox, chairman of the Randall County Relief Board, and H. S. Strain, County Administrator, were called to San Angelo Sunday by Adam Johnson, Texas Relief Administrator, where a meeting of Panhandle representatives was held with state relief officers and Col. Lawrence Westbrook, assistant to Harry Hopkins.

Another agreement was worked out regarding relief in the Panhandle, but it was understood that the new agreement would not become effective until approved at Washington and by the Texas Relief Commission.

### MARRIAGE LICENSES

Miss Margaret Crawford and Pinus Scott, Sept. 4.

Miss Velma Prichard and George Knight, Sept. 9.

Frank Steen left Sunday for Alameda where he will teach the coming year.

## Rural Schools Have Opened Fall Terms

### Teachers Selected For Rural Schools By Trustees

All of the Randall County Rural Schools have opened and work is well under way with the closing of the second week. All of the teachers report good attendance and are quite enthusiastic about the new prospects for the year.

"Work has started off in fine shape, and all indications point toward a very successful term," says Judge Orton. The teachers in the various schools are as follows:

Connally, Miss Bessie Birdwell, Ralph, Mrs. Verl Iverson.

Highland, Miss Beatrice Fulton, Trigg, Mrs. Bert Nuckols, Jowell, Mr. and Mrs. Virgil Dodson.

Sunny Hill, Miss Roberta Campbell.

Fairview, Miss Opal Nelson and Miss Zona Cox.

SUBSCRIPTION \$1.50 PER YEAR

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 Fourth Avenue, Canyon, Texas.

Senator Clint Small called attention during the last campaign to the open saloons and open gambling joints running in Texas. A resolution has been introduced in the State Senate directing that the Attorney General take steps to padlock these joints, and to enforce the law. Friends of Attorney General Allred call the resolution an attempt to embarrass the incoming governor. Politics may have had a lot to do with its introduction, although it was signed by one Senator who supported Allred in both primaries. It is well to understand that this is only the beginning of open warfare which will likely exist between the Legislature and the Governor's office. During the campaign, the Attorney General by insinuation charged the legislature with being under the control of the lobbyists. Members of the legislature resented this charge. Every Governor has his troubles with the legislature. It looks like Mr. Allred's troubles have started early, and may continue to increase.

The bill for relief being sponsored in the legislature will work a hardship on the counties. The provision that counties should participate in the relief fund comes after the counties have made their budgets for the coming year, and most of them have set their tax rates. Most of the counties have participated to a great extent in relief work, without receiving any credit from the State Relief Commission as to the money they have spent. After working with this relief business for several months, we have reached the conclusion that the state would have fared much better if the policy had been continued of allowing the counties to have direct supervision of all relief funds. The present statewide set up is too expensive. Too many people are taking their share of the relief money before it gets down to the needy people of the state who have been allowed to suffer in order that fat jobs might be provided for the higher-ups.

C. E. Strain states that only 3 percent of the men in Sing Sing prison are able to play band instruments. The argument is made that if boys had spent their leisure time learning to play on band instruments, they will not be using

their time to think up some cussedness to get into. Every community has her quota of idle boys, many of them the product of the depression and drouth. The community can better afford to provide some useful pastime for them now than to pay the expense of caring for them should they become criminally inclined. Without doubt band music appeals to more boys and girls than any other type of music and is a greater drawing power in those hours when boys and girls would under other circumstances be idle. Buying more instruments for the high school band will furnish a profitable and pleasurable method of influencing young folks to a better method of living.

"Civilization will have to find some way to avoid war, or war will exterminate civilization," stated Dr. George Truett, famous Baptist pastor, in returning from Europe. Most of the ills existing in the world today may be traced to selfishness of the bitter strife which ended in 1918, but which threatens to be renewed under the least provocation. The world war has come very nearly to the point of wrecking civilization; in fact, the world with all of the changes which have transpired, lacks a lot of having been restored to its equilibrium. Another world war today would indeed wreck whatever hope there is of a restoration of the peace and tranquility which existed in the hearts of most people before the terrible upheaval of 1914.

John L. McCarty of the Dalhart Texan hit the newspaper stars again by issuing a 144-page resource edition. John is forever doing things in a big way up at Dalhart, which has focused the eyes of Texas on his city. Most towns which have been hit as hard as Dalhart by the continued drouth, have folded up and said that it was no use fighting against the wiles of the elements. Not so in Dalhart. The folks up that way are fighters; they go on developing regardless of what mother nature dishes out to them. The resources of Dalhart and the North Plains section are brought to the attention of the readers by word and by picture in a most interesting manner. More power to Dalhart and John McCarty.

EDI — Dallas was the unanimous choice of the Centennial Committee for the site of the 1936 celebration. Without question, the offer of Dallas was superior to those made by San Antonio and Houston. The only disadvantage of Dallas is the fact that visitors from the north will see little of Texas if they merely come to the Centennial and return home. Had it been possible for the Centennial to be held down in the state, the outside visitors would have made trips to the Alamo and other historic spots in Texas, which will be missed by those who merely come for the exposition.

The government is going to feed the textile strikers, and the government is being requested to pay

## Drouth Was Licked Here From Beginning

These pictures prove plainly that an ounce of prevention is worth a couple of tons of cure. Heading experts who predicted rain shortage in 1933, certain South Dakota farmers planted Russian thistle and amber cane, two drouth-resistant cattle feed crops. A stand of amber cane that flourished throughout the abnormal dry spell is shown above; below, cattle graze in a bountiful pasture of Russian thistle.

the strikers a wage while they block the wheels of industry. If this policy is continued, organized labor may be expected to continue strikes whenever the disturbing element success in gaining control of the unions. The tragedy is that most of the men in the unions wish to continue work. The communists are said to have caused the strike in California, and to be back of the textile strike. The reds are determined to cause all the trouble possible. Trade unions are fertile ground for their activity.

The legislature is again messing with tax measures, this time providing that no delinquent taxes may be collected until 1936 by paying only 6% interest. If this bill is passed, it means the end of tax collections. The bill applies not only to state and county taxes, but likewise to city and school taxes. Selfish interests are backing this measure. There are men in Texas who do not care what becomes of the schools, the city governments, or the state government, just so they may avoid paying taxes.

Herbert Hoover has joined Al Smith and the disappointed and defeated leaders of the Democratic party in starting a tirade against President Roosevelt and his recovery policy. Of all the men in America, Hoover should be the last to get out his little hatchet

and start to hammering on the President. "What did you do, Mr. Hoover, to stem the tide of the depression?" The answer could be written on a gnat's eyebrow.

Democratic leaders are ashamed of Upton Sinclair as the nominee for Governor of California. He will have a hard battle to be elected in November, but since he promises the people so much he will probably be elected in spite of the opposition of both the Democratic and Republican wheel horses. Empty promises sometimes bring in the votes where sound logic fails.

Panhandle had a successful race meet without pari-mutual betting. Horse racing should have some other appeal than that of skinning the poor suckers who play the ponies. While a very, very few professional gamblers always win, the majority of those placing money have to lose in order to make gambling profitable.

In His Comeback Campaign, Schmeling May Have to Face Steve Hamas, Who Sped Maxie's Departure From These Shores

BY PHILIP MARTIN

BEING just a few random notes that Mrs. Martin's wandering boy forgot to rub off his stiffly starched cuffs recently:

Der Herr Schmeling will shortly appear in America again to take up where he left off after Max Baer and Steve Hamas belted him around in his last two fights in this country.

Der Schlager apparently settled down to the serious business of fighting when he went back to Germany, and his cool, deliberated stalking of Walter Neusel, his countryman, in their recent fight before 100,000 at Hamburg, resulted in a knockout that has been heard around the world—especially by promoters in the U. S. A.

The first step in the Black Uhlan's comeback campaign undoubtedly will be a bout with the winner of the Art Lasky-Steve Hamas bout, scheduled for Sept. 27.

It seems to the writer that Schmeling will be meeting the guy who completed his recent rout after that bout is over, for we can't see Lasky licking Steve.

And then you'll have Maxie starting off where he was rudely stopped. If he fights the fight he fought against Neusel when he meets Penn State's Stevie, he'll win by a couple of touchdowns.

THERE'S something remarkable about that Lynwood "Schoolboy" Rowe guy. The brilliant Detroit pitcher, who recently added his name to the American League's scroll of greats by equalling the string of 16 consecutive victories set by "Smoky Joe" Wood, Walter Johnson and Lefty Grove, has none of the bragging characteristics of the Dean brothers, Duck Newsome, and some of the rest of the cocksure twirlers.

Rowe's secret of success is hominy grits, which he devours in huge quantities in his home town of El Dorado, Ark., and a little gal named Edna Skinner, who has whispered "yes" into his yearning ears.

"Schoolboy" says he and his childhood sweetheart are to be married after the Tigers win the world series—and don't think he isn't going to win quite a few

Lending strength to the pitching arm of Lynwood "Schoolboy" Rowe, left, Tigers' hurling phenom, are thoughts of Edna Skinner, his childhood sweetheart back home, to whom he will be married soon. In his impending comeback campaign, Max Schmeling, inset, may have to face Steve Hamas, who laced the Uhlan before his departure from America some time ago.

FOOTBALL already is crowding on to the sports page.

One of the question marks that looms largest this season is the new ball, which is considerably slimmer than the old oval.

Several of the country's coaches have agreed that the new ball has some very good points, and not a few which aren't so good.

In the kicking department, the new ball will travel farther, if it's kicked right, but if the booter gets one a little off line, it'll be just too bad.

In the throwing department, the new ball is a lot easier to grip, and gives a guy with small hands a better chance. But passers have to put a lot more push behind their throws to get the distance they got from the latter oval.

One look along the highways is proof enough that the auto-makers haven't succeeded in ridding the country of junk.

## Improper Lighting Didn't Black This Eye

*But May Weaken it Later!*

One school child in every five already has impaired vision. At college age, two in five are either wearing glasses or should be. Science now tells us that much of this appalling waste of human eyesight comes from improper and insufficient light.

Train your child never to do any night reading except directly under a good lamp, and with the entire room moderately well lighted.

### CRAIN-BELL WEDDINGS IN CHILDRESS SEPT. 1

Miss Faye Bell and Mr. Newton W. Crain were married Saturday evening, September 1, at Childress. The ceremony was read at 8 o'clock at the First Christian Church by Rev. Ferguson. Mr. and Mrs. Archie Copeland were the only attendants to the couple. Mrs. Copeland is a sister of the bride.

The bride is the daughter of Mr. and Mrs. A. Y. Bell of Wellington. She graduated from Wellington High School in 1931 and later attended John Tarleton College one year. She also attended school at W. T. one year. The bride is a very popular member of the younger set and has been complimented with a number of social courtesies.

The groom is the son of Mr. and Mrs. H. W. Crain of Canyon. He received his B. A. degree from W. T. S. T. C. in the class of 1930. Mr. Crain is interested in ranching and wheat farming and the couple will make their home near Canyon.

Following the ceremony the couple left for Dallas where they spent their honeymoon.

### FAMILY REUNION AT D. N. BLANTON HOME

Relatives and friends met at the home of Mr. and Mrs. D. N. Blanton, Sunday, Sept. 9, for a family reunion. The occasion was the first time that all the children had been home at once in four years.

A bountiful dinner was spread, and the afternoon was spent in taking pictures. Children and grand children present were: Mr. and Mrs. H. R. Jones, Canyon; Mr. and Mrs. F. A. Blanton, Tulsa; Mr. and Mrs. S. C. Jones and children of Pampa; Mr. and Mrs. R. G. Lehnick and children of Groom; Mr. and Mrs. Lyle Blanton and children of Panhandle; Mr. and Mrs. Guy C. Blanton and daughter of Denton; Mr. and Mrs. Otto Samuelson and daughter of Canyon.

Guests present were: Gerald Mote, Miss Elaine Mote, Mr. and Mrs. Staley Jones and daughter, Mr. and Mrs. Frank Garrett and daughters, Cecil Boatman, and Leonard Hardin.

### SCHEDULE OF THE WEEK FOR MISS BASS

Monday, Sept. 17, Office.  
Tuesday, Sept. 18, Highland H. D. Club.

Wednesday, Sept. 19, Jowell 4-H Club girls in the morning. Jowell H. D. Club at 2:30.

Thursday, Sept. 20, Johnson H. D. Club.

Friday, Sept. 21, Edgetown H. D. Club with Mrs. G. H. Hardman as hostess.

Saturday, Sept. 22, Randall County Home Demonstration Council.

From three short rows of Honey June Sweet corn planted in her garden with seed sent out from A. & M. College, Mrs. John Coburn, pantry demonstrator of the Park Home Demonstration Club, has had corn to eat fresh, fifteen pints to can, and enough of the choice ears left for each of the club women in the community to have seed for another year.

Four dozen hills of Boston Pickling Cucumbers, that have been bearing four weeks, have supplied Mrs. Otto Lehnick, co-operator of Sunny Hill Home Demonstration Club with fifteen bushels of cucumbers to give her neighbors and sixteen gallons for her own use. Mrs. Lehnick saves her own seed from year to year.

### REBEKAHS AND ODD FELLOWS TO AMARILLO

The Amarillo Rebekahs and Odd Fellows acted as hosts to the Lodges from Hereford, Pampa, Panhandle, Tulsa and Canyon, in an open house meeting at the I. O. O. F. Hall in Amarillo, Tuesday night at 8 o'clock.

A short program was given by the delegates from each town represented.

Those going from Canyon were: Mr. and Mrs. W. S. Wagy, Mr. and Mrs. Ed Weeks, John Schramm, Mr. and Mrs. A. K. McBride, Mrs. Winnie Louder, Mrs. Margaret Cole, Mrs. Minnie Laughery, Mrs. Ola Ridgeway, and Mrs. Myrtle Stratton. Also Misses Maye Warren, Columbia Redfean, Floy Rowe and Tinnie Thompson.

Mrs. D. A. Shirley, secy-treas.

### PARK CLUB WITH MRS. WATKINS

The Park Home Demonstration Club held its regular meeting September 6, in the home of Mrs. Watkins, southeast of Amarillo. There were thirteen members, one guest, and the County Demonstrator, Miss Sadie Kate Bass, present.

The lesson, "How to Make Preserves," was led and demonstrated by Miss Bass. Plans for the county fair at Canyon were discussed and it is believed the Park club will have a real good exhibit.

Mrs. Watkins acting hostess and Mrs. C. C. Benton assisting hostess. Our guest was Mrs. Cone of St. Paul, Minn. Other members present were Mesdames John Ladehoff, Herrick Simon, Mary Simon, Ed Armstrong, J. E. Park, Owen Turpin, Tony Simon, C. C. Benton, Ivan Pitt, W. E. Bennett, Flynn Winters, James Eddie Park, Misses Dorothy Ladehoff and Gracie Ray Bennett.

The next meeting will be September 20, in the home of Mrs. Henry Burch.

### MRS. W. H. UPCHURCH ENTERTAINS CLUB

The Blue Bonnet Needle Club was delightfully entertained Thursday afternoon at the home of Mrs. W. H. Upchurch. The rooms were decorated with fall flowers appropriately placed about the room. New officers were elected for the club year. Mrs. Upchurch was elected president, and Mrs. Aubrey Fox was elected treasurer.

At the refreshment hour a salad course was served to the following guests: Mrs. Claude Moore, Mrs. J. L. Hefner, Mrs. F. H. Pennington, Mrs. Guy Cole, Mrs. Winfield Miller, Mrs. Aubrey Fox, Mrs. Glen Costley, Mrs. Jay Prichard, Mrs. George Small, Mrs. N. T. Dickerson, Mrs. Virgil Briscoe, and Mrs. Levi Cole.

### MISS OLIVE SCHRAMM TAKES NEWS POSITION

Miss Lillian J. Atkins has resigned her position with The News and accepted a position in New York where she has been spending the summer with her brother, Ernest Atkins. Miss Atkins has been with The News for six years, and her resignation was accepted with deep regret.

Miss Olive V. Schramm has accepted a position with The News. Miss Schramm will devote part of her time at The News office until she retires as County Treasurer on January 1st, after which she will give her entire time to newspaper work.

### JUNIOR WOMAN'S CLUB WITH MRS. SCOTT

Mrs. Carl Scott was at home Monday afternoon to the members of the Junior Woman's Club when the club had its first meeting of the year.

Mrs. Winfield Miller gave a talk on the activities of the club since May. Mrs. J. A. Hill spoke briefly on "Education of Today."

At the tea hour the guests filed into the attractively decorated dining room where Mrs. John S. Humphreys poured tea for forty members and invited guests of the club.

### LAS SENORAS NEUVAS WITH MRS. DAUGHERTY

Three tables of contract was the diversion of the afternoon when Mrs. J. Madison Daugherty of 1301 Fourth Avenue entertained the Las Senoras Nevas Club Wednesday afternoon.

At the refreshment hour an appetizing ice cream of chocolate cream and sand tarts was served. Those seated were: Mrs. Mitchell Jones, Mrs. W. L. Pearson, Mrs. Hubert Hartman, Mrs. R. E. Ball, Mrs. A. B. Brown, Mrs. Hud Prichard, Mrs. Claude Moore, Mrs. Harry Wood, Mrs. Levi Cole, and Mrs. Owen Williams.

### BAPTIST W. M. S. CIRCLE HAVE MEETINGS

The Baptist W. M. S. Circles met this week with good attendance. Circle I met with Mrs. Burnett and the lesson was taught by Mrs. Hardin.

Circle II met at the church and Circle III met with Mrs. Ed Phillips. There were twelve present. The lesson was taught by Rev. Hicks. Refreshments were served to all.

The Baptist ladies will have a bake sale, Saturday at the City Market.

### LAKESIDE H. D. CLUB WITH MRS. TOM LAIR

The Lakeside Home Demonstration Club met at the home of Mrs. Tom Lair, Wednesday, Sept. 5, with seven members present.

Miss Bass gave an interesting demonstration on the making of preserves and jams.

The next meeting will be held Sept. 19 at the home of Mrs. L. T. Campbell.

### JOHNSON 4-H CLUB GIRLS HAVE MEETING

All members of the Johnson 4-H Club were present Tuesday, Sept. 4, when the Club met at the home of Mrs. E. J. Bauer.

Officers for the year were elected as follows: Lula Spiser, president; Ardelle Spiser, vice president; Elsie Bauer, secretary, and Dorothy Bauer, reporter. Evelyn Bauer was chosen as bedroom demonstrator; Ardelle Spiser was chosen for garden demonstrator, and Margie Bauer was chosen as wardrobe demonstrator.

Miss Ardelle Spiser was selected as song leader, and Mrs. E. J. Bauer was chosen as the girls' sponsor.

After the business meeting Miss Bass gave the club instructions on fixing their history books, and material to take to the Tri-State Fair.

### MRS. E. W. MILLER HAS H. D. CLUB

Preserves, marmalades and jams were the subject of a demonstration given by Miss Sadie Kate Bass, Friday, Sept. 4, at the regular meeting of the Centerville H. D. Club, which met at the home of Mrs. E. W. Miller.

There were twelve members present. Green tomato products will be the study at the next meeting, which will be at the home of Mrs. R. F. Washburn on Sept. 21.

### SUNNY HILL H. D. CLUB WITH MRS. LEHNICK

The Sunny Hill Home Demonstration Club met at the home of Mrs. Otto Lehnick, Tuesday afternoon, Sept. 4, with sixteen members and two visitors present. Miss Bass gave a demonstration on the making of preserves and marmalades.

Plans were made for labeling jars and getting entries ready for the fair.

Next meeting will be Sept. 18, at the home of Mrs. Joe Russell.

### MISS FRANCES USERY IN RECITAL

Miss Frances Usery was presented Tuesday night at 8:15 o'clock in a piano recital in the studio of Mr. E. W. Grabill of Los Angeles, California, with whom she has been studying this summer.

Miss Usery, who graduated from W. T. in 1933, will return to Canyon Sunday to begin her work as a member of the music faculty of the College this year.

### New Department to Open at W. T. In Archaeology Study

A Department of Archaeology is being started in the College this fall and Professor C. Stuart Johnston, who teaches this work, is already in Canyon. During the first nine weeks this fall, Mr. Johnston will teach two classes. At 8:30 each day there will be a class in physical geology, and at 10:00 there will be a class in archaeology.

Mr. Johnston stated yesterday that it was his purpose to give the theory courses in the fall and winter in order to leave the spring open for field work. The course in physical geology will deal with the processes by which lakes and rivers and mountains and canyons are created with a special study of the Grand Canyon. Mr. Johnston stated that much field work will be done in the Palo Duro Canyon.

The archaeology course will consist of a study of the American Indians with emphasis on the Indian of the Southwest. The Aztec, Maya, and Inca civilizations will be studied.

These classes will be open to citizens of the town who wish to attend. If people who are not interested in college credit wish to attend these classes, they can do so by the payment of a fee of \$5.00 for each course.

Later in the year courses in historical geology and elementary paleontology will be given. It is expected that there will be great interest in the work offered by Mr. Johnston.

### RANDALL COUNTY JOINS THE PANHANDLE LEAGUE

Randall County has joined the Panhandle League, composed of Panhandle counties which was recently organized at a meeting held in Amarillo for the purpose of promoting the welfare of this section, especially in seeking adequate relief money. John E. Hill of Amarillo is president; Sam M. Braswell of Clarendon is treasurer; Carl Hinton of Amarillo is secretary.

The commissioners court named Clyde Warwick as representative from Randall County in the League at yesterday's meeting.

## Named New U.S. Budget Head

Daniel W. Bell, above, is new acting director of the budget, having been appointed to that post by President Roosevelt following the resignation of Lewis Douglas, former Arizona congressman. Bell has been an official in the Treasury Department.

## B. S. U. to Hold Student Meeting At Ceta Canyon

The Baptist Student Union of W. T. will have a fall retreat in Ceta Canyon on September 14 and 15, it has been announced here.

The students are meeting in order to make plans for the coming school year, as well as to reunite in fellowship and fun after the summer holidays.

The group will leave for Ceta Canyon at 4 o'clock Friday, Sept. 14, and return Saturday afternoon, Sept. 15.

An opportunity will be given to study and discuss campus problems of today. Transportation will be furnished and the student will be responsible for the food and coverings for the night.

Those who plan to attend are requested to get in touch with Miss Betty Hicks, Canyon, as soon as possible.

The following program is planned:

**Friday Evening**  
6 o'clock—Evening meal. Fun period. J. C. Baker, Jr.  
7:15—Vesper Service, "Soul Winning," Curtis Clement.  
7:45—Song Service, C. O. Huber.

8:30—"Pre-eminence of Christ in the Organized Church," Rev. J. R. Hicks.  
9:30—Campfire service, Ernestine Walker.  
10:30—Goodnight.  
**Saturday Morning**  
6:45—Master's Ministry, Betty Hicks. Theme: "The Voice of Jesus."  
7:45—Morning meal. S. S. and B. T. S. Plans, Thomas Newell.  
Y. W. A. Plans, Alice Reese. Volunteer Band, J. C. Wright. Student Reception, J. C. Baker, Jr. Student Budget, J. L. Hardin. Maintenance of First Magnitude, C. O. Huber. Freshman Orientation, Ernestine Walker.  
10:45—Song Service, C. O. Huber.  
11 o'clock—"Pre-eminence of Christ in Daily Christian Living," Rev. J. R. Hicks.  
12:30—Lunch.

## Ralph News

The social Friday night was represented by a large crowd. Don't forget that the first Friday night of each month the Work Awhile—Play Awhile club gives a social for the community. We had with us last Friday night the Kaffir Corn orchestra. We all enjoyed their music very much.

Mr. Spencer, the president of the Plateau Singing Convention and eighteen of his singers from Canyon, were with us Sunday afternoon. The singing was enjoyed by everyone.

Mrs. Fred Scott of Canyon spent Friday night and Saturday with her daughter, Mrs. O. B. Vaughann. Mr. and Mrs. W. A. Cates and son, W. A., went to Amarillo Thursday.

Mr. and Mrs. J. L. Brooks, Jr., went to Pampa Saturday. We are sorry to lose two of our Sunday school and club members, Myrtle Cates and Vera Mae Carter. They have moved to Canyon for the winter.

Mrs. W. A. Cates and little son, W. A., visited with Mrs. Springer Monday afternoon.

E. J. Dunn and Buck Moore have returned from a two weeks trip to Chicago and other places of interest.

Miss Marion Hill attended a coffee, Monday morning in Amarillo at the home of Mrs. Clara Curry Smith.

## Big Racing Program Scheduled for Tri-State Fair Meeting

One of the major attractions of the sports season in West Texas, the Tri-State Fair Association's fall race meeting is expected to be one of the outstanding track events of the Southwest.

Running of thoroughbreds will commence here on Sept. 15, the opening date of the 1934 exposition. The meeting place will close on Saturday, Sept. 22. No races will be held on Sunday.

Crack two-year-olds, several of which are expected to be leading three-year-old performers on major tracks next year, will be featured here. Norwood West, racing secretary, predicts full fields for every one of his colt races.

A week before the date of the opening, the stables at the Fair Grounds contained nearly 175 thoroughbreds. This early filling of stall space indicates there will be over 200 horses on hand when the first bugle is blown calling the bachelors out of the barns.

Everything at the racing plant is ready for the fans. The track, one of the best 5-8 ovals in the country, is in excellent condition. The grandstand is spic and span from a general cleaning administered recently.

A new low admittance price will be in vogue. Realizing a major portion of the racing crowds each day, undoubtedly will be from out of town, Wilbur C. Hawk, Fair president, set the general admittance ticket price at 50 cents. Box seats will cost but 25 cents additional.

Judging from the general interest in the sport and the success of the meeting last spring, officials are of the opinion the fall races will be one of the greatest sports events in the history of the Panhandle.

Mr. and Mrs. Alvin McDonald visited this week in Merkel with Mr. McDonald's father.

Durward Brown was in Paducah Saturday.

## JUDGE BISHOP HEARS EVIDENCE IN ONE CASE

Judge Henry S. Bishop was here Friday and Saturday taking testimony in the case of Mrs. Mamie Kuehn vs. A. M. Allred.

Attorneys in the case will submit their arguments in brief form, after which Judge Bishop will render a verdict upon his findings.

The term of district court is being held open for any other emergency which may arise.

Mr. and Mrs. W. L. Pearson returned Monday from a week end spent in Lubbock.

## Rain of .20 Inch Falls Sunday In Canyon Community

Canyon received a rain of .20 of an inch Sunday afternoon at 4:30 o'clock. The rain did not cover a very large territory, but was very beneficial to the section which it hit.

Mr. and Mrs. Kermit Volkman have returned from a trip to Carlsbad Caverns and other points of interest in New Mexico.

## Canning! Canning! Canning!

Is the order of the day—canning meats, vegetables and fruits. Almost everything in the way of food can be canned and put back for winter use to help supply the family with the very best of food at a very low cost.

There is nothing better than home canned peas, beans, corn, pickles, greens, beef, chicken and fruits of all kinds.

We have a complete stock of Pressure Cookers, canners, sealers, fruit cans, jars and lids—in fact everything that it takes for canning. All surplus food will be needed next winter. Let us do what we can to save it all.

### Bill Smith Tells Rotary Club About the Gas Industry

W. L. (Bill) Smith gave an interesting talk Tuesday at the Canyon Rotary Club luncheon on natural gas. Bill is local agent for the West Texas Gas Co. "While natural gas is looked upon as the baby public utility, its discovery and used in limited form dates back to the natives of Asia and China," stated the speaker.

In America a "burning spring" was found on the land of George Washington. In 1870 the first attempt was made to pipe gas when trees were hollowed out for a gas line into Rochester, New York.

"While people take natural gas service for granted, it was not many years ago that cities experienced many difficulties," stated Mr. Smith, as he recalled his own experience in Dallas.

Manufactured gas was first introduced in England in 1787.

Mr. Smith explained the working of a gas meter.

President Bob Jarrett announced that the District Governor would visit Canyon on Oct. 23.

Golden Green was introduced as a new member of the Club.

Visiting Rotarians were: Hugh Flynn, C. R. McAfee, Dinty Moore, Jess Sanders, Chas. Rogers, John McKnight, Gene Settle, all of Amarillo; Stoney Wall, of Plainview.

### Palo Duro Peeps

School opened Monday, Sept. 10, with an enrollment of thirty-four pupils. Some pupils have not yet enrolled.

Rev. and Mrs. H. K. Freking and family and Mrs. Mary Leopold of Amarillo were supper guests in the home of Mrs. Pauline Wendelken, Sunday.

Mrs. Sherman Campbell entertained the Palo Duro Club Wednesday afternoon.

Mrs. Henry Miller and daughters, Clara and Betty, were callers in the Clem Dugan home Tuesday afternoon.

Mr. and Mrs. Sherman Campbell and family were visitors in the O. D. Bragg home Sunday.

Mr. and Mrs. C. W. Bauer and family and Joe Tuck visited in the Gus Leseberg home Sunday.

Bob, Edith and Eva Campbell were visitors in the F. S. Gillham home Sunday evening.

### First Assembly of College Planned for 9:30 Thursday

The first assembly of the new college year will be held Thursday, September 20, at 9:30, and Dr. J. A. Hill is inviting all the people of Canyon to attend.

"I want this year to start off with great enthusiasm," President Hill said, "and I think a formal opening with citizens of Canyon showing their interest will help the old students as well as the new students to realize that this is the time for hard and earnest work. It is to be hoped that the auditorium will be packed for this occasion."

### READING FUN IN STORE FOR BOYS

Here's important news for the boys of America. The American Boy—Youth's Companion, the nation's quality magazine for boys, has been reduced from \$2.00 a year to \$1.00. The three-year rate, formerly \$3.50, has been reduced to \$2.00.

"For a long time we have been seeking a way to reduce the cost of The American Boy to readers," states Griffith Ogden Ellis, editor. "Recently we have effected savings that make the cut possible, and we think boys will agree that the new price is big news on the reading front. We hope boys will help us to spread the good news by telling their friends."

Along with the cut in cost, the magazine's publishers are planning a magazine that will continue to set the pace in fiction, articles, and departments. The favorite characters of millions of boys will parade through The American Boy in new stories. Douglas Renfrew of the Royal Canadian Mounted, Hide-rack, the red and gold collier, Bonehead Jim Tierney, the detective, will give the reader many exciting hours in the months to come.

William Heyliger, whose true-to-life, gripping vocational stories have won him a wide acclaim from parents and librarians, as well as the hearty approval of boys, is working on new stories. Staff writers are interviewing famous coaches and athletes and world-renowned explorers, to bring boys the color and fun of sports and travel.

In short, The American Boy, under the new price, will continue to give boys a magazine that measures up to the best standards set by adult magazines. Send your subscription to The American Boy, 7430 Second Blvd., Detroit, Michigan. Enclose your name and address and the proper amount of money, and The American Boy will soon be headed your way, loaded with reading thrills.

## SECOND WEEK'S TRAINING CLOSE IN SCRIMMAGE

FORTY BOYS CANDIDATES FOR  
POSITIONS ON FIRST  
TEAM

The Canyon High School grid-  
tters closed their second week's  
football training Friday afternoon  
with a tough scrimmage. Blocking  
and tackling have composed the  
bulk of the last two weeks' work.

Forty men have checked out  
suits. Of this number, eight are  
lettermen. Captain Curtis Ellison  
leads the list of lettermen. Three  
very worthy players are out for  
quarterback. Hampton Lisle, Jack  
Taylor, and Wandell "Boots" John-  
son. Each of these have had play-  
ing experience.

Wade Johnson shifted from the  
back field, where he has previously  
played, to the line. He now plays  
tackle.

The position of each player is  
changed so constantly that it is  
difficult to forecast a lineup, but  
most of the line, as well as the  
back field can be pointed out.

The tentative line-up is as fol-  
lows:

Right end, Capt. Curtis Ellison.  
Left end, Willard Childers.

he's the one named Alexander  
what writ "The Rape of the Lock."  
If he's one of them guys, or if  
he's an kin to 'em, I bet he shore  
is smart; from what I can hear  
he sure is handsome. But girls, I  
heard he wuz married, so don't go  
makin no fools uv yerselves, or  
loosin yer heads, cause you know  
yer not old enough to be fallin fer  
married men.

That is a gang of new teachers

## Are School Teachers People After All

A deafening roar, a flash of  
aluminum paint, and as every  
startled head cranes, the Grade  
Teachers gallant limousine (Mod-  
el 14992 A. D.) wheezes gradually  
around the famous high school  
bend.

Miss Annis Smith and Ruth  
Greenfield clutch desperately at  
staid school ma'am bonnets while  
the other three passengers, Miss  
Frances Singleton, Gladys McClan-  
nahan, and Gwendolyn Black, al-  
ternately giggle and scream or  
cling nervously to the rickety,  
bouncing sides for Miss Lenna  
Foster is at the wheel.

Groups of astounded students  
standing in clouds of dust, gaze  
blankly at the spot where the  
school teachers' dignity had been  
and are heard to quaver, weakly—  
"Why, maybe—(gulp)—maybe they  
are human, after all.

## Did You Know?

That C. H. S. has nine new  
typewriters?

That "Do-Do" Brasuel has a  
new face he is always showing in  
the study hall?

That there are twenty-one new  
students in C. H. S.?

That some of the freshmen are  
scared stiff?

That Margaret Nicholas has just  
returned from the World's Fair.  
That Johnny McBroom has a  
girl?

That O. M. Solomon is going to  
be a typist?

That some of the new students  
don't know the rules after listen-  
ing to Mr. Carruth in assembly?

## Rev. Hicks Speaker at First Assembly of C.H.S. Students

Rev. J. R. Hicks, pastor of the  
First Baptist Church, was the  
guest speaker at the first official  
assembly of the year.

He stressed four points in char-  
acter building in his talk. They  
were "see right, think right, be  
right, and do right."

Rev. Hicks said the purpose of  
education was to make the stu-  
dent see the important things in  
life. After he can see, he is pre-  
pared to think through problems  
that confront him. Then he should  
strive to be right in things he at-  
tempts. When he possesses these  
qualities, he should put forth an  
effort to do right.

## Officers Elected In Class Meetings

After assembly, Thursday, Sept.  
5th, the first class meetings of the  
year were held in the various rooms  
to elect the class officers for the  
coming school year.

Last year the Junior class elected  
Bill Cone president of the Senior  
class of 1935. Curtis Ellison, vice-  
president, and Jack Oldham, sec-  
retary-treasurer were elected this  
year.

The Junior class officers are,  
Jack Taylor, president; Wandell  
Johnson, vice president; and Wes-  
ley Cox, secretary-treasurer.

Sophomore class chose Willard  
Childers, president; Jack Middle-  
ton, vice president; and Marielle  
Oldham, secretary-treasurer.

Joe Harry Roberts, president;  
Natalie Flesher, vice president; and  
Mary Horn, secretary-treasurer,  
were elected to lead the Freshman  
class.

The man who devotes all of his  
time to criticizing others is unable  
to see his own shortcomings.

## Superintendent Says—

The major objective of the  
Canyon Public Schools for  
1934-35 shall be "the adjust-  
ment of the individual pupil to  
his or her social and economic  
environment so that intelligent  
social responsibility will result."  
If this objective could be real-  
ized by the Canyon Schools and  
by the entire public schools sys-  
tem of the United States, many  
of the social and economic prob-  
lems that constantly confront the  
nation could be eliminated. The  
schools have, in the past, laid  
too much emphasis upon formal  
fact-learning and not enough  
upon social living. We need a  
better understanding of our so-  
cial and economic "set-up."  
The responsibility for creating  
this understanding rests upon the  
public schools.

## 21 New Students Are Enrolled in Canyon Hi School

Twenty-one new students are  
enrolled in Canyon High School,  
seven are freshmen, eight are soph-  
omores, five are juniors, and one  
is a senior.

The freshmen are: Melva Hanks,  
from Miami; Anna May Shattuck,  
from Borger; Wilford Kennon from  
Jon, New Mexico; Clarence Zach-  
ery, from Fairview school; Dora  
Tucek from Wilson school; Doll  
Neff from W. T. Training School;  
and Wilda Marsh from Claude.

The sophomores are: Melvin Cal-  
lham, from Conway; Viola Dooley,  
from Happy; Edgar Washburn,  
from Fairview; Marjorie Wilk-  
erson, Clovis, N. M.; Wayne Marsh  
Claude; John B. Pope, III, Dim-  
mitt; Lillian Tate, Lubbock; Van-  
nie Robertson, Jewell.

The Juniors are: M. E. Bagwell,  
Lakeview; Howard Robertson, Jew-  
ell; Joe Franks, Wilson, Fred Hart,  
Fledo.

The only senior is Kenneth Cay-  
ton from Claude.

## SOPHOMORE GIRLS GIVE "GET ACQUAINTED" TEA

Sophomore girls sponsored a  
"get acquainted" tea, honoring the  
freshmen girls and new girls, and  
inviting the junior and senior girls  
of Canyon High School held in  
Home Economics dining room Wed-  
nesday, September 12 from 4 to 5  
o'clock.

The room was attractively dec-  
orated with autumn leaves and bou-  
quets of zinnias and marigolds.

The senior girls each chose a  
freshman girls as a "little sister"  
to take to the tea and to help and  
advise throughout the year.

Each junior girl invited as a  
special guest a new girl in high  
school.

Misses Brasuel, Foster, Goodrich,  
Angel, and Mesdames Ball, Barker,  
and Foster, also attended the tea.

## FACULTY MEETS SEPT. 5

In order to plan an efficient ad-  
ministration for the coming year  
the faculty met Monday, Sept. 3.

Plans and rules for the coming  
year were made so that the stu-  
dents could be informed at the  
next assembly.

Cannes, France, bandit, steals  
gems worth 5,000,000 francs, leav-  
ing behind a trace of perfume.—  
News item. Anyway, the victims  
can't say he left them without a  
scent.

The installment plan of a dollar  
down and a dollar a week the re-  
mainder of your life is discourag-  
ing. But think what a reputa-  
tion it makes for a lot of sales  
managers.

A California man used only 13  
words to will \$10,000 to his wife.  
But many a man has to use 10,000  
words to get 13 cents from the  
little woman.

When an Akron, O., candidate for  
Congress began to prepare his  
speeches, he found his voice had  
shrunk to a whisper. He'll prob-  
ably be elected.

We must have friends in pros-  
perity if we are to expect their  
help in adversity.

## FIVE SUBJECTS ADDED TO C.H.S. STUDY COURSE

THREE COURSES ARE REVIVED;  
TYPING OFFERED FOR  
FIRST TIME

Courses in typing, public speak-  
ing, public school music, commer-  
cial art, and general business  
training are being offered in Can-  
yon High School; chemistry, Latin  
and physical education have been  
restored to the curriculum after  
a two year lapse.

Typing, taught by Miss Fannie  
Sue Brasuel, is open to seniors and  
juniors only, and a \$6.00 fee is  
charged.

New equipment for the course  
consists of nine typewriters and  
tables. Racks to hold the books  
are to be built by the manual  
training department. The text is  
to be "Gregg Typing" Book I by  
Sorelle and Smith.

Two classes with nine students  
each meet every day at one and two  
o'clock. The classes are working  
for affiliation.

Mrs. J. D. Barker teaches a  
class of public school music for  
freshmen. Its aims are music ap-  
preciation, sight singing and music  
history.

Coach Cleveland Jones is the  
commercial art instructor. This  
course includes printing, house  
plans, drawing furniture, color  
charts, water color painting, and  
tied and died work.

Chemistry is being offered again  
after a two year lapse. Mr. Fox  
teaches the class of twelve stu-  
dents. The text books are furn-  
ished by the state; a fee of \$1.50  
is charged to pay for experiments  
and a 75c notebook is required.

Two classes a week of physical  
education will be instructed for  
both boys and girls. The teachers  
are Coach Jones and Miss Lois  
Goodrich, respectively. These  
classes have been revived after a  
two year lapse.

Because of the demand for more  
practical courses, a junior business  
course was offered. Eleven students  
are enrolled under the instruction  
of Mr. John B. Pope.

This class is going to work to-  
ward affiliation for a whole unit  
course for the year.

Mr. Cleveland Jones, formerly a  
faculty member in the grade school,  
is now teaching in the high school.

Although Latin had been offi-  
cially dropped from the school  
courses, popular demand has  
caused it to be continued.

Miss Angel is teaching the new  
public speaking course.

## Janitor Kept Busy Thruout Vacation

A large amount of work was  
done during the summer vacation  
by Mr. Kiker, the high school jan-  
itor.

He built ten typing tables to be  
used in the new typing course, and  
three new tables for the home ec-  
onomics department.

The floors in both buildings were  
cleaned and re-oiled, and many  
minor repair jobs were done by  
him. He also levelled the side-  
walk in front of the grade school  
building and repair work. Mr.  
Kiker kept the campus in good  
condition.

## Principals of Both Schools And Three Teachers New In Faculty

Five new faculty members have  
been added to the teaching staff  
of the Canyon Public Schools in-  
cluding principals of both grade  
and high school.

Mr. John B. Pope, Jr., principal  
of the high school, comes to Can-  
yon from the Sunnyside high  
school, near Dimmitt.

Mr. Pope was born near the pre-  
sent town of Lakeview, near Mem-  
phis. He began his extensive edu-  
cation in the Clarendon Prepara-  
tion School. He then attended S.  
M. U. where he received a B. S.  
degree. Two years were spent  
studying chemistry in the Uni-  
versity of Wisconsin, and two years  
in Harvard, where he received his  
M. B. A. degree. Mr. Pope at-  
tended W. T. S. T. C. one summer, and  
has studied educational method and  
administration in the University  
of Texas.

Mr. Pope was First Lieutenant  
in the Air Service as army obser-  
ver with the First American Army  
in the Argonne, and later in the  
Army of Occupation at Coblenz,  
Germany.

## Fronabarger Grade Principal

Miss Elva Fronabarger, new prin-  
cipal of the Canyon Grade School,  
was born in Springtown, Texas, on  
November 19. She attended gram-  
mar school and junior high at  
Huey and Turner Training School  
in Weatherford, completing her  
high school education at the Acad-  
emy of Simmons University in Abi-  
lene. Miss Fronabarger attended  
Baylor University, W. T. S. T. C.,  
and Peabody University, Nashville,  
Tenn. Her extra curricular activi-  
ties during college, included liter-  
ary societies, basketball, outing  
clubs and a press club.

One year at Weatherford and  
seven years in the Canyon public  
school as classroom teacher, six  
years at the Demonstration School  
of W. T. S. T. C. as a critic teach-  
er, and one year at Borger as su-  
pervisor, constitute Miss Fronabar-  
ger's fifteen years of experience as  
a teacher. Besides carrying on the  
duties of the principal of the grade  
school, she is teaching history in  
the B section of the fifth grade.

## Singleton First Grade Instructor

Miss Frances Singleton, the new  
first grade teacher, graduated this  
summer from W. T. S. T. C., maj-  
oring in primary education.

Before coming to the Canyon  
grade school, she taught for three  
years in the first grade of the  
Claude public school.

Miss Singleton's home is in Am-  
arillo where she received her high  
school and elementary training.

## Greenfield Teaches Geography

Miss Ruth Greenfield, a new  
faculty member in the grade school,  
is an ex-student of Canyon High  
School and W. T. S. T. C. She  
was graduated from high school  
in 1930. While attending this in-  
stitution, she was on the basket-  
ball team for three years. She was  
a mathematics major in W. T.,  
from which she was graduated in  
the summer of 1933. She was a  
member of the Elaphean Literary  
Society and the Pi Omegas.

She taught in Vega in 1933-34.  
Miss Greenfield is teaching geogra-

JOHN B. POPE, JR.

## Jones and Clark Senior Sponsors

Coach Cleveland Jones and Miss  
Grace Clark were chosen as spon-  
sors of the Senior class at a special  
meeting held Friday, Sept. 7.

Miss Clark was chosen because  
she proved to be such an able and  
efficient sponsor of the class its  
Junior year.

Coach Jones was chosen because  
of his popularity among the stu-  
dents, and his ability to "get along"  
with the students.

With these teachers as sponsors,  
the class is expecting to do many  
worthwhile things this year.

## New Geography Teacher

Miss Lenna Foster, an ex-student  
of Canyon High School, is teaching  
English in the Canyon grade school.

Miss Foster played basketball  
four years; was editor of the an-  
nual her senior year, and was the  
first president of the Purple Peps.  
She attended W. T. S. T. C. and  
received her degree in 1932.

She was employed in the Spade  
school last year and attended W.  
T. the past summer.

## A House Frock and Ensemble That Please

HOUSEWIFE AND THE YOUNG-LADY-ABOUT-TOWN WILL FIND IT HARD TO RESIST THE MODELS OFFERED THIS WEEK

ARE you looking for a house frock which will fit well, give you that neat, fresh appearance, be comfortable and—with all these qualifications—still prove easy to make? Or are you interested in a clever frock or coat?

Whichever you're seeking, you'll be intrigued by the current offerings. Pattern 132 offers you a charming house dress, in gray printed cotton, if you prefer. Linen or percale is suggested, too, as suitable material.

It is available in nine sizes: 38, 40, 42, 44, 46, 48, 50, 52 and 54. Size 46 requires 4½ yards of 35-inch material with short sleeves, or 4¾ yards with long sleeves. Contrasting collar, vestee, cuffs and pocket facings require ¾ yard, 35 inches wide.

A coat that enables you to face comfortably the brisk winds of early fall is that illustrated as Pattern 183. In light wool, it is designed in sizes 14 to 20 and 32 to 42. Size 18 calls for 3¾ yards of 54-inch fabric, plus 3¾ yards of 35-inch lining.

Stylish, indeed, is the printed crepe frock depicted as Pattern 182. It is designed in sizes 14 to 20 and 32 to 42. Size 18 in monotone needs 4¾ yards of 39-inch material, or 3¾ yards for the dress plus ¾ yard for the flare collar and sleeve bands in contrast.

## Just a Lot of Turtle Soup

"So this is the New Deal," sneered Mr. A. Hefty Turtle, late 500-pound resident of the West Indies, upon his arrival in Washington. "Down in the tropics I was a rugged individualist. I get here and what happens—I'm driven." Sporting indignantly, the crusty 200-year-old gentleman ambled off, with a Bureau of Fisheries employee at the reins.

## Wayside Items

A few local showers. Farmers are quite busy putting in wheat, not moisture to bring it up in many fields. Many are working all night, using two shifts of men.

Mr. and Mrs. R. E. Carter and Mrs. Josie Mayo from Amarillo came last Tuesday, and are visiting among relatives and friends. They will return in time for the Tri-State Fair.

Bringing the last load in moving a week ago, Joe Rogers from Guymon, Okla., was in the dust storm of Sunday, a week ago, had his eyes so filled with sand near Dumas, he couldn't drive the truck. He called John T. McGehee, who with J. T. went to his rescue.

Rev. J. A. Lindley gave us an excellent sermon last Sunday in place of the first Sunday, when he was in a revival at Hart, proving a fine revival.

Dinner guests with Mrs. W. I. Lane Sunday were Mrs. Mayo, R. C. Carter and wife and Lee, Wyatt Heisler and family, Gene Carter and family.

G. W. Franklin is feeling better, is taking treatments from Dr. Vick of Amarillo. Mrs. Kerlin is still with him.

Ida B. and Russell Graham and Edwin Counterman from Happy spent the week end with their aunt, Mrs. Fannie Franklin.

Mrs. Lou Gillham's health is improving. W. J. Sluder is better than for a few days past.

Miss Gertrude Hoggins spent the past week end at Kress with home folks.

M. L. and Myles McGehee left home Sept. 2, went by Canyon where Isaiah Jenkins and wife and Miss Sallie McGehee joined them, and on to Nara Visa, N. M., where they visited with J. M. McGehee. On their return they encountered the dreadful dust storm at Adrian, reaching home about 11 p. m.

## Rusk Quizzes

Everyone is quite busy at the present. Some are plowing the wheat ground, while others are sowing.

Mrs. A. T. Case visited Mrs. R. N. Henry, Monday.

Mrs. George Williams of Leedey, Oklahoma, has been visiting her brother, O. A. Smith and family. Relatives have been visiting Mr. and Mrs. Will Cobb.

Lorene Smith spent Friday night with Mr. and Mrs. Jewell Jones and family.

## "OUR CHECKING ACCOUNT TELLS US EXACTLY HOW MUCH WE ARE SPENDING"

A checking account is the answer to your household budgeting problem. It offers an accounting system that is both simple and reliable. It gives you an accurate "check" on purchases—tells you your cash-on-hand—furnishes an instantaneous picture of your "rate of spending" from day to day. It's as suitable for the young married couple as it is for the large, established household.

A checking account gives you safety, convenience and the security of receipted transactions all in one. It keeps your funds safe in the bank.

## News in Canyon 25 Years Ago

(Taken from the files of the Randall County News of September 10, 1909)

A statement was issued by the locating committee for the new Normal College denying outside influence in making the selection of Canyon. It was charged by other towns that Governor Campbell and Senator Claude Hudspeth had sought to influence the decision of the committee. The statement was signed by A. B. Davidson, R. B. Cousins and John Marshall, members of the locating committee, who made the selection of Canyon last week.

A monster celebration was held in Canyon Friday night attended

by many citizens of the Plains, complimenting this city upon its selection of the new normal college. Among those who spoke were L. E. Cowling, Mayor Jasper N. Haney, J. C. Hunt, A. N. Henson, R. A. Terrill, all of Canyon; State Representative J. R. Bowman, Judge J. L. Penry, W. H. Fuqua, Tom Turner, O. H. Nelson, Prof. W. H. Long, Will A. Miller, Jr., all of Amarillo; James Frye of Tulsa; W. A. Parker of Plainview; General Manager Kouns of the Santa Fe. "Great enthusiasm prevailed." It was a great night.

Many messages of congratulations were received by Canyon, and citizens of Canyon from citizens of West Texas upon the location of the new college. The only protest made was from Stamford, where the following telegram was sent to the members of the locating committee: "We congratulate you

on your discovery of Canyon City. It is second only to Dr. Cook's discovery of the North Pole." 308 were enrolled in the public schools.

The professor of a woman's college gives advice on the marriageable age. Our advice is to get married when you can afford it.

The reason it is so hard for college graduates to find jobs is because most firms already have presidents and general managers.

**Buffaloes**

(Continued from first page)

Most of the thirty candidates still on the squad are fast rounding into condition. The coaches were well pleased with the blocking in scrimmage although many rough spots, naturally, remain to be smoothed out.

Present indications show that the starting line of the Buffaloes will be a very strong one with plenty of subs. Tackles are more plentiful than anything else. Captain "Big John" Walker, 210 pounds, from Spearman, playing his third year, and Clinton Meek, 200 pounds from Wheeler, seem to have the edge on the other boys, but Emil Hutto of Vernon, and "Freshman" Jackson of Floydada, both weighing 200 pounds, are ready to step into the starting shoes at any time. Edd McMinn, 180 pounds from Kirkland, and Pete Clements, 180 pounds, also from Kirkland, are rounding into form and should make fine substitutes at the tackle positions.

John Rankin, 172 pounds, from Miami, Ezell Champion, 172 from Memphis, Bill Allen, 180 pounds, from Amarillo, are three fine guards for Coach Baggett. With the possibility of several other men coming through to make good, the guard position is well taken care of.

The Buffaloes have two good centers in Ralph Poe, 168 pound letterman from Pampa, and R. D. Wheelock, 190 pounds, from Silverton. Wheelock is a transfer from Wayland Junior College, and

is showing up well on defense, but he is having trouble passing the ball consistently.

The ends are strong with Stina Cain, 175 pounder from Wheeler, and John Lee, 190 pounder from Amarillo, getting the first call.

The other two ends are coming along in great style. These boys are Jack Davis, 180 pounds, from Memphis, and George Brasuel, 168 pounds, from Canyon.

With good, strong starters in every position and competent reserves, Coach Baggett feels that his line will be ready to go against the East Central Tigers of Ada, Oklahoma, Friday night September 21 at Canyon.

The Buffaloes schedule follows: Sept. 21, East Central Oklahoma Teachers College, Canyon, night.

Sept. 28, Southwestern Oklahoma Teachers College, Canyon, night.

Oct. 5, Texas School of Mines (El Paso) Canyon, night.

Oct. 13, New Mexico Military Institute, Roswell, N. M.

Oct. 20, McMurry College, (homecoming) Canyon.

Oct. 27, Central Okla. Teachers College, Edmond, Okla., night.

Nov. 2, New Mexico Normal University, Canyon.

Nov. 9, Panhandle A. & M. College, Goodwell, Okla.

Nov. 17, St. Benedict's College, Atchison, Kansas.

Nov. 24, Northwestern Oklahoma Teachers College, Alva, Okla.

Mrs. S. C. Bradford and daughters left Monday for their home in Pasadena, Calif., after visiting at the home of her mother, Mrs. L. G. Conner, for two weeks.

**Wheat Checks**

(Continued from page 1)

The hog raisers of Randall county are due to receive \$17,000 any day now, as all preliminary work has been approved in Washington.

The total wheat, hog and cattle money which is due in Randall county now amounts to more than \$80,000, all of which goes to the farmers of the county.

The wheat checks on hand represents 450 of the 720 farmers who have contracts. The other 270 checks will be received as soon as they have been approved by the Agricultural Department at Washington.

Compliance papers on a few Randall County contracts have not been sent to Washington because signatures have not been secured. These are mostly non-resident farmers. Final approval on these few may be the cause of a delay in starting the next payment.

Under the cattle buying program, the farmers have disposed of about 8,000 head, which have brought to them approximately \$99,000.

**W. T. Opening**

(Continued from first page)

Miss Frances Usery will become a member of the music department. She has been studying piano with E. W. Grabill of Los Angeles during this summer.

Most of the members of the faculty who have been on leave of absence during the summer have returned or are expected during this week. Miss Hattie M. Anderson returns from the University of Missouri where she has been working on her Ph. D. degree. C. Wesley Batchelder has been attending Harvard for the past 6 weeks. Miss Agnes Charlton studied at the University of Colorado during the second half of the summer. Miss Elizabeth Cox of the Home Economics Department spent six weeks in Canyon and in Kansas visiting and resting. Mr. John A. Gillis spent the latter half of the summer visiting furniture factories and college manual training departments in the East.

Miss Anna I. Hibbets spent the entire summer at the University of Colorado where she was joined at the beginning of the second term by Miss Darthula Walker of the geography department. Herschel Jennings of the commerce department spent six weeks studying in Kentucky, and Mrs. Ruby Barksdale O'Keefe spent half of the summer visiting and studying in Mississippi.

Miss Isabel Robinson of the art department has studied at a camp in the Adirondacks during the summer. Mr. L. F. Sheffy of the history department, will return to his campus work after spending the summer in the field in the interest of the Panhandle-Plains Historical Society. Miss Margaret E. Wiley of the English department has spent three months working on her doctor's dissertation. She has been at her home in Denton.

Miss Orpha Dennis of the Home Economics department has been studying during the summer, and W. D. Mater spent half the summer at the University of Chicago.

Mr. Carl T. York studied at the University of Texas. Miss Novella Goodman has spent six weeks studying at the University of Texas and visiting at her home in San Marcos. Mrs. Laura R. Saunders has spent the entire summer at George Peabody College for Teachers at Nashville, Tennessee.

All of these, as well as the faculty members who have been on the campus will assemble at 3:30 Monday for the first faculty meeting, at which time President Hill will outline plans for the year.

Enrollment of college students will begin Tuesday, September 18, and the Training School will open the same day.

**25th Anniversary**

**Dallas Is Chosen As Location For 1936 Centennial**

Dallas, Texas' second largest city, was the choice of the Texas Centennial as the location of the centennial celebration in 1936 of the Texas Centennial, an exposition to commemorate a century of independence.

Bids of Houston and San Antonio for the location of a celebration planners hoped would represent an outlay of up to \$50,000,000 were rejected. Representatives of each, however, promptly pledged unqualified co-operation.

Each was assured some form of historical observance of Texas' one hundredth birthday of freedom from Mexican rule. The statute which created the commission as the planning agency directed it to arrange suitable historical celebrations at Houston, site of the Battle of San Jacinto in which Texans won their freedom; San Antonio, site of the Battle of the Alamo; Nacogdoches, Huntsville, Galveston, Brenham "and other like places identified with Texas' early history."

Offers of the three cities were tabulated on the basis of gross values, and announced as Dallas \$7,971,000; Houston \$6,507,000; San Antonio \$4,835,000.

In a formal statement, the commission "reaffirmed its belief in and insistence upon the creation and conduct of an exposition 'Texanic in proportions, continental in ideals and international in scope,' and proclaimed its purpose to provide for Texas a centennial celebration erected upon a basic capital of at least \$15,000,000, to be augmented by the eventual contributions of industries in the United States, state governments of the American union, and foreign country to perhaps an actual total of \$30,000,000 to \$50,000,000."

**CITIZENS MAKE NO CRITICISM OF BUDGET**

The annual budget for Randall county was approved Monday by the Commissioners Court for the coming year.

No citizens appeared before the court to make recommendation or protest against any of the items on the budget as required by law. The budget is on file at the clerk's office.

**Effort Fails To Secure More Aid for W. T. Students**

A letter from Congressman Marvin Jones, received by Dr. J. A. Hill, states that the efforts to secure more aid under the provisions of the FERA for young people of the drought stricken section of Texas have failed. This means that many young people who hoped to attend college through these funds will be unable to do so.

Speaking of his efforts to get this help, Congressman Jones writes, "At first it looked rather encouraging and I was advised that recommendations for such aid had been worked out and were ready for presentation to Mr. Hopkins. It seems that since this involved the expenditure of considerable money above the amount already allotted, it was necessary to secure Mr. Hopkins' personal approval."

"I am now advised that Mr. Hopkins has ruled that the necessary funds are not available and that regardless of where the institution may be located, the allotment will have to remain at 12% as the provision announced. I am extremely sorry that the Department has taken this position, but knew you would want to know the facts as they were."

Ninety-one students will enter the College on September 18 thru the aid of the FERA. Practically all of them are from the upper 10% of their classes in high school and many of them are young people who have already had experience in making all or part of the money for their living expenses. Most of them have had experience also as members of bands, orchestras, newspaper staffs or other school organizations.

**METHODIST CHURCH**

Rev. J. O. Quattlebaum will be back in the pulpit for both the morning and evening services.
